# FRIDAY HARNESS

## Kumeu T.C. @ Alexandra Park

### SELECTIONS

#### Race One

#### Five Star Anvil

#### Caroline's Cullen

#### Tex Bromac

Five Star Anvil had to sprint hard and just failed when beaten by Badlands Bromac at Cambridge when first up off a spell. Scratched out of Sires Stakes last week but forward enough for this. Class takes him a long way. Caroline's Cullen is drawn to get the best run, lead then trail a nice one. Bright chance. Tex Bromac continues to improve as he goes and despite draw one of better chances. Definite threats are 3,8,9.

#### Race Two

#### Jazmin Alicia

#### Special Sun

#### Galleons Enforcer

She is somewhat of an under-achiever given what she promised as a young horse. But Jazmin Alicia has shown better form of late and deserves her reward this time around. On that last run she'll go very close. Special Sun could be quick improver off fresh up failure. He's capable of beating this field. Galleons Enforcer has the form on the board and looks like he will win more, a must include. In open race consider 1,8,14,15.

#### Race Three

#### Kobe Bryant

#### Franco Hendrix

#### Flem N Em

Kobe Bryant returned with smart placing and that was off the back of a good trial run. He should be a fit horse now and on class well-capable of rolling these. Franco Hendrix raced well in Sires Stakes heat last week and looks a major danger. Flem N Em won his first race in a fair while when narrowly getting up here last time. Genuine chance again. Of the rest Mighty Creation must be seriously considered.

#### Race Four

#### Unrelenting

#### Cherokee Franco

#### Raven Aveross

A good competitive race over 1700m. Unrelenting returns off a break and has joined the northern stable, showing her worth with workout win in nice final 400m last week. On southern form she's good enough to get the job done. Cherokee Franco drew poorly, no luck in transit, but very brave when third to Flem N Em last time. A genuine chance. Raven Aveross loves to lead and was super last start. Try 6 & 8 for multiples.

#### Race Five

#### Tosti Boy

#### Stutz Bearcat

#### Three Quarter Drive

Tosti Boy looked smart when very good on debut at Cambridge when second to Bute Pacer. This seems well within his grasp if he can reproduce that form. Stutz Bearcat was good in a better field here when resuming. Showed good ability last term and is well worth a ticket this time. Three Quarter Drive was a sneaky tip when he debuted, and the run was very sound, without the luck. Keep him inside. 1,4,6 best of the rest.

#### Race Six

#### Changeover

#### All Tiger

#### Pembrook Benny

Changeover missed the Spring Cup due to minor injury but you wouldn't expect that to hinder his performance here. He's all class and the first up run for second was very slick. Should win, the dangers likely to be stablemate All Tiger, who is fresh up but very classy, and Pembrook Benny who was a shade stiff not to win the Spring Cup and did well. A strong top three with Power Of Tara a chance of upsetting again.

#### Race Seven

#### Sovereignty

#### Real Deal Yankee

#### Genius

Sovereignty wasn't 100% on his game but that was still good enough when he displayed his class here a couple of weeks ago in winning first up off a spell. Any improvement would be lethal, a drop off in any way and he's vulnerable. Real Deal Yankee was only just beaten in that race and was expected to improve off the run. He can give them something to chase again. Genius, Calamity Gal, Fayanni capable of upsets.

#### Race Eight

#### Isa Good Looking

#### Muscles Kiwi

#### Kasyanov

Isa Good Looking went straight past Cyclone Jake like he wasn't there when winning last time, and few horses have been able to do that this season. He seems to be sharper by the run and should account for these, a field of horses struggling to find a win. Muscles Kiwi isn't one of those. He returns off a good break, and is very classy. Needs to step, can figure if he does. Kasyanov is much better than fresh up failure and this looks a very suitable race for him, one for odds. 3,8,9,10,11 are all capable but all teasing rather than winning.

#### Race Nine

#### De Lovely

#### Twist N Shout

#### Millview Diva

De Lovely stormed into fourth placing last time when luckless, coming from well back on the turn. Has started favourite both runs and should have won one by now. Will rectify that here. Twist N Shout looks only logical danger. She has disappointed but gets ace draw and every chance. Millview Diva for third.

#### Race Ten

#### Freestyler

#### Donovan Bromac

#### CC Star

Freestyler won as a 2yo in good style, and met Five Star Anvil in the Sales Series Final at Addington last time. Returns with sound workout form under the belt. Should go close off the ace. Donovan Bromac had a gallop at Cambridge last week, go on solid debut placing. A nice type who will win races. Stablemates CC Star and Arma Tom should be considered, while Jasami is bred to run and did qualify well.

# FRIDAY NIGHT HARNESS

## NZ Metro @ Addington Raceway

### SELECTIONS

#### **Race One**

**Sister Bertrand** finished boldly to take good Rangiora workout win last Friday, and seemed ready to race well, running sub 28.0 final 400m. Draw no help but a chance nonetheless. Also drawn poorly is **Kardelin** who should have done better on debut but failed badly. Stick with her on good trial form. **Fiery Tart** battled on grass track on Sunday, give another chance. Try 2,4,5,10,12 in multiples.

#### **Race Two**

**Raglan** finished on well over final stages in the rich company in the 4YO Superstars last week, a top run for one of his grade. Back in his own class he should go close. **Pay Me Painter** never bothered the scorers when fresh up last week but usually prominent off a good draw. Expect much better. **Dream Supreme** will be better for the run at Motukarara and expect a big effort from him. Add 1,4,14,16.

#### **Race Three**

**Lord** and **Leonidas** look very well placed here, both returning off spells after showing good ability as 2yo's last term. The former was an impressive trialist before he debuted this track before a winter spell. Expect a big run from him, and **Leonidas** who has been forward at workouts and will go close to winning. **Cullens Party** got on one rein quite badly when fresh up and could have figured had he run straight. Gets his chance off the draw. A strong top three.

#### **Race Four**

**Tatoo** got back and never a cart into the race when they sprinted home in a walking race at Oamaru last time, doing well final stages to grab fourth. He's a genuine chance this time in a very suitable race. **Christian World** could be the smokey fresh up after solid 3:23 (2600m stand) win at workouts, a tidy 28.0 final 400m. **Vienna Bromac** will improve off fresh up run and is worth a look. In even field consider 2,7,8,15.

#### **Race Five**

**Fernleigh Renegade** was forward at the Rangiora workouts again last Friday, sprinting impressive final 400m to win well, continuing good form. Debuts in the right race and it will take a good one to beat him. That may be **Limited Edition** who looks a possible leader and will appreciate drop back from Sires Stakes heat. Hard to beat. **Jackaroozy** will do better this time, and add **Mister Powell**, and **Leading Lavros** into multiples. If you go even wider in Pick6 to be safe include **Excel Bromac** and **Cullen Speed**.

#### **Race Six**

**Don Keyotee** beat much-lesser opposition at the workouts, but he looked bright in doing it. Looking past the opposition he seems ready to give this a shake now he's back with former trainer Kevin Townley. **Unique Star** broke badly last time but is a genuine chance if he trots early. No doubting his ability when caught in the mood. In a race where most have a chance try **Stylish Monarch** and **Ambler Gambler**. The former of that pair hasn't hit the high notes at the trials but is classy. Close to a field job in tricky leg of Pick6.

#### **Race Seven**

**Spero Denario** made a big run to hit the lead, cut back late when game third behind **Lord Mamaduke** and **Algeepce** last week in fats time. Going better than most and looks hard to catch. **Manhattan Rusty** was never in it in 4YO Superstars, looks well-placed here off ace. Nice chance. **Dreamaway Jess** was luckless in fast race last week, running on late, as were **Got It Seeled**, and **Laytons Girl**. **Belhelvie** had no luck in same race.

#### **Race Eight**

Top mare **Speculate** continued the march to **Dominion Handicap** honours with another easy win here last week, quickly putting her defeat to **Springbank Richard** behind her in the **Ordeal Cup**. Looks over the line if she maintains the form. **Master Bomber** looked a quick improver and he raced accordingly last week. Genuine chance again. **Idid It Myway** and **The Fat Controller** will go much-better than they did at Motukarara.

#### **Race Nine**

**Telemecanique** won five of six starts during a stellar autumn campaign, and looked very bright when returning to the workouts last week, sprinting sharp 27.2 final 400m to easily account for her rivals. Set to return on a winning note. **Meredith Maguire** looked a bit flat on the turn, but she showed real determination to rally and win here last week. Not an easy task this time but capable of grabbing the hat-trick. **Bubba Ho Tep** has the advantage of **Dexter Dunn** on in junior drivers race and will be ready to strike after a run last week.

#### **Race Ten**

**Dustin Bromac** was going to lead when he had a gear malfunction and had to be retired from the event here last week. Has great gatespeed and can pick if he leads or trails. **Therecomesatime** also draws nicely and is a handy racehorse. Looks a sound eachway chance in this company. **Four Starzzz Flash** was very game last week and is a genuine winning chance.. A host of place chances with 4,5,7,10 all worthy of inclusion.

# Last Friday's Big Bet Info - Friday 02 November

## Auckland Reactor the turning point for the 'book' at Addington

**Race 1** – A good start to the night for our customers with the favourite Meredith Maguire \$2.20 - \$2.00 winning race one. She was easily the best backed runner with our only other losing result Georgy Girl (3rd) \$12 - \$10 who took all the late money.

**Race 2** – The winner Keepeyaguardup opened and closed at \$6.00 and was a good result. Our worst result was King Of Strathfield (11th) with the late money coming for Clover Don (2nd) \$4.50 and he closed as our only other losing result.

**Race 3** – We were only losing on two runners and they finished first and second with the winner Charlie Wright a slightly better result for us over Four Starzzz Flash. The late money did come for the winner, we opened him at \$5.50 and he paid \$6.30 the tote so there was some educated money for him.

**Race 4** – The good thing for night in Kotare Mach won easily and although he was heavily backed he was a break even result. Arnoux (2nd) \$8.00 - \$10 was the next best backed runner. Although single trading was a non-event there were some big multi-wagers on this favourite so it could get nasty for us later in the night.

**Race 5** – The winner Speculate carried on her winning way with a stylish victory. She paid \$1.60 the tote which was our opening odds and while the single 'book' didn't get hit too hard in multi-wagering she took all the action. It would have been easier laying an egg than the rest of the field in this race.

**Race 6** – Second Wind \$1.70 - \$2.00 carried on his winning way and was the best backed runner although we did balance the 'book' with plenty of late money coming for Most Happy Alex (2nd). Other than the first two favourites it was another case of no money for the rest of the field.

**Race 7** – Highview Tommy returned to his best and was a good result for us with our worst result Life and Soul (8th) \$15 - \$12. The late money came for Harley Earl \$4.50 - \$3.00 and after his run for third it will be a long time before we open him up at those odds again.

**Race 8** – With five of the first seven races won by the favourites we needed a roughy to deliver and we certainly got that with MJ Fulham scoring at \$41. We were only losing on one runner and that was the favourite Joshua Mac which crashed into \$1.70 after opening at \$2.20. Late money came for Glenalvon \$3.50 - \$3.80.

**Race 9** – The late money came for the winner Monkey King although he did close at his opening odds of \$3.60 (\$3.20 tote). Auckland Reactor also closed at his opening odds of \$1.60 and he was heavily backed over the last five minutes of trading. We saw some late money for Mr Feelgood (3rd) but outside the first three favourites it was hard to sell any other runner even with their odds well over the tote.

**Race 10** – We had a few multi wagers finishing on the favourite Algeepiee (2nd) and he closed at \$1.60 after opening at \$1.90, he closed at \$1.40 the tote which surprised us and he's another runner that will be a lot shorter on opening odds next start. Late money did come for the winner Lord Marmaduke \$6.50 - \$5.50 but he was a good result especially multi wise.

**Race 11** – Luckily with the hot favourites Auckland Reactor, Joshua Mac and Algeepiee not winning we went into the final race with no big multi-wagers finishing on the winner and favourite Georgetown. The favourite was a small losing result for us and closed at his opening odds of \$2.30 (\$2.10 tote).

Seven of the eleven races were won by the race favourite but we did come out slightly ahead in the single trading 'book' and with Auckland Reactor not winning we finished well ahead in the multi 'book'. We took plenty of large wagers tonight on Auckland Reactor to win the Christchurch Casino Trotting Cup and we already have a large multi-wager finishing on him so even with his barrier manners he is now into \$2.80 from the \$4.00 on offer on Friday.
