\***Karloo Mick** comes forward 1400m out, leads last 750m and is too tough. That form was franked when he took Ashburton Flying Stakes on Monday. A NZ Cup win is very possible. **Bondy** went to the line hard-held but disappointed at Ash.

# FRIDAY NIGHT HARNESS

## NZ Metro @ Addington Raceway

### SELECTIONS

#### Race One

#### Ultimate Player

#### Bwana

#### Lord

Ultimate Player returns off a break, his workout form quite tidy in the lead up. A very talented but sometimes wayward horse, he is good enough to take care of this field. Bwana looks a nice type out of the Nigel McGrath stable. He was narrowly beaten at the workouts last weekend and should go boldly first up. Add Lord, Christian Creek, and Talaspring for longer odds.

#### Race Two

#### St Croix

#### Who Else

#### Mystic Reign

St Croix was undone off the standing start last week, so the mobile should be of great benefit this time. A talented type well-suited here. Who Else was a touch disappointing after leading last week. Stick with him, the win will come shortly. Mystic Reign should appreciate mobile start, she is going well. Other chances are 2,3,7,8 in a race depending on who trots the journey.

#### Race Three

#### Centreofattention

#### Lancome

#### Empire Flame

Centreofattention looked the one before the draws came out, the 17 barrier far from ideal. But stay with him, he's going terrific and luck is eluding him. His workout win on Saturday was again very good. Lancome trialed well here last week, just shaded by Joyfuljog. She should run well. Empire Flame has returned in good knock at the trials and should be very prominent. Consider 2,9,10.

#### Race Four

#### Hip Hop Anvil

#### River Field

#### Franco Hendrix

Hip Hop Anvil was slow away off the stand at Ashburton, a big effort afterward when game in defeat. Drawn to get on the speed and he's good enough to win this. River Field won a workout on Saturday in preparation. His northern form is very good and he'll beat most on class alone. Franco Hendrix did well off back row last time, wide draw no help here but stick with him. Consider 1,2,5,12,15 in open race.

#### Race Five

#### Joyfuljog

#### Telemecanique

#### About Ambition

Joyfuljog looked rather ready to resume when a slick trial winner on this course last week, home in 28.5 to beat stablemate Lancome. She is a last-start Harness Jewels winner who seems fit enough to get the job done fresh up. About Ambition has been solid at workouts and trials in preparing to resume here. A genuine pacer and always a chance. Telemecanique did well to get up wide out and win at Ashburton on Monday on a wet track. Outstanding wins in two starts off a spell and three is far from impossible. Auditor General the obvious other after regaining form with slick Winton mile win.

#### Race Six

#### Four Starzzz Flash

#### Brave Wiggly

#### Texas Typ

Four Starzzz Flash was left stranded when Redhead Ted refused him the lead at Ashburton, which was a real shock. He sat parked throughout and fought gallantly. Should get his reward this time. Brave Wiggly finished solidly when fresh up last week and is capable of using a good draw. Texas Typ can be in it if he gets last run at them. Highbeam Rusty a chance fresh up.

#### Race Seven

#### Bubba Ho Tep

#### Pay Me Painter

#### There's A Dancer

Bubba Ho Tep got herself in a real mood and refused to score up at Ashburton. A huge win this track a week earlier. Set to return to form off a prominent barrier draw. Pay Me Painter led and was caught on the line at Forbury last Sunday. Drawn perfectly and she should either lead or trail and be hard to beat here. There's A Dancer looks bright and only a bit of luck away from getting a sizeable cheque. Can swoop. Add 6,7,14.

#### Race Eight

#### Belhelvie

#### Slash An Burn

#### Cullen's Creek

Stablemates Belhelvie and Slash An Burn can jump the gate and run over the 1950m. Both were in slick form at Motukarara workouts on Saturday when Slash An Burn was the victor. Hard to split, with Belhelvie getting top vote. Cullen's Creek seems to be a horse on the rise, his form very strong this term. A very tidy workout run on Saturday, too. Drawn perfectly. Consider Red Army who is dangerous with last crack at them.

#### Race Nine

#### Mon Star

#### Unique Star

#### Musgrove

Mon Star had little go his way on Monday at Ashburton, and overall the rub of the green hasn't been there for him in three runs off a spell. Fitter for the racing and this seems an ideal race for him to regain his best form. A dominant force when right. Consider Unique Star who was very game last week. Miss Warbucks, Musgrove, and Ambler Gambler are all capable.

#### Race Ten

#### No Courage Russell

#### Mullingar Mac

#### The Balladeer

No Courage Russell should get a well-deserved win this time after being beaten a pencil-line by his stablemate Alchemy here last week. A very honest horse, he should gain due reward. Mullingar Mac hasn't had all the luck but possesses good ability. A worthy chance despite wide draw. Consider 2,5,6,8,10 in multiple bets.

# FRIDAY NIGHT HARNESS

Manukau T.C. @ Alexandra Park

## SELECTIONS

### Race One

#### Queen Of Heaven

#### Flem N Em

#### Asafa Powell

Queen Of Heaven was confidently backed to beat the smart Gomeo Romeo on October 16 this track, coming up short but brave in defeat. None of his class to get past this time. Flem N Em continues top form this campaign and should be very hard to hold out. Asafa Powell looked well above-average last time to the races and could go a nice race fresh.

### Race Two

#### Dead Calm

#### Kobe Bryant

#### Stutz Bearcat

Dead Calm blew out over the final stages when a tidy fourth first up off a spell. A very classy pacer who won four of six starts last term. Should return to best form with improved fitness a help. Kobe Bryant should give him a tough run for his money. Placed in two runs off a break, he is another ready to break back into the winners list. Consider 1,2,7 to place.

### Race Three

#### Mya Grace

#### Sunny Sierra

#### Merckx

Mya Grace was game in defeat when just caught here last week, a tidy effort in her first race for over four months. Mobile start a plus for her and she should go close. Sunny Sierra is usually terrible from standing starts so the mobile and ace draw could aid her chances. Capable on her day. Merckx and Sunjon must also rate as winning chances, along with Lady Boyz who races well most weeks.

### Race Four

#### Kynuna Boo

#### Freestyler

#### Miysis

Kynuna Boo ran another nice race when beaten by a classy Shady Su last week, matching a bold third on debut. Should account for these. Freestyler was disqualified in a bizarre decision last time out when placed. A nice type close to winning. An open race outside that pair with trial performers 1,2,6 all capable, without even naming others who have a chance.

### Race Five

#### Galleons Honour

#### Sixpence

#### Amboseli

Galleons Honour backed up a good maiden win with another bold effort when placed behind the smart Gomeo Romeo. She shows a touch of class and should account for most in this line-up. Sixpence is a smart filly returning after last racing in the Jewels back in May. Was a winner at weekend workouts at Cambridge and you would expect a very forward effort despite the wide draw. Amboseli can't be faulted on two very tidy racenight appearances. Sure to go well again. Consider 1 & 2 off good draws.

### Race Six

#### Chocolate Brownie

#### Continental Pride

#### Duchenne

Chocolate Brownie went superbly after an early break when rattling home for second money here last week. A safe start away from winning, though this field will be no pushover. Continental Pride couldn't get the job done as hot favourite at Cambridge but give another chance. Consider 9,11,14,16.

### Race Seven

#### Percy The Punter

#### He's My Hero

#### Jonny English

Percy the Punter couldn't get the space he needed at the top of straight, otherwise he would have bolted in when he raced fresh up on this track, October 16. A lovely draw here if he can hold up early. Big chance. He's My Hero ran well, a game win when defeating Percy The Punter last time. Quick gatespeed could land him in front, and hard to catch with own rules. Jonny English and Trigirl Brigade can be afforded some chance.

### Race Eight

#### Muscles Kiwi

#### Isa Good Looking

#### Genius

Muscles Kiwi could do little but chase the brilliant Raydon home last time, a tough effort nonetheless. That followed a lovely win first time back from a spell. Will keep these busy. Isa Good Looking is also racing so well and the headstart in the handicaps is a big help to him, too. That pair will make Genius work, though never count the old boy out. He's always a chance. Consider 7,9,10.

### Race Nine

#### Taffeta Bromac

#### Arctic Fire

#### Lady Gaga

Taffeta Bromac showed good talent in two starts last term and has returned with prominent showing at the trials on this track, October 13. Drawn perfectly and will take beating. Arctic Fire had to chase all the way and battled final stages last week. Stick with her, the win will come quickly. Lady Gaga hit the line well last week, should be considered along with Twist N Shout, and Shezaluckydreamer who gets best draw in a while.

### Race Ten

#### Jason X

#### Jasper's Mate

#### Courtney Cass

Jason X possibly the best in an average field to finish the night. He's raced okay in stronger fields and gets his chance, no doubt. Jasper's Mate keeps showing enough to give him a chance next time around, and is another to consider. Courtney Cass was sound last time, and Rain Forest deserves a well-overdue win.
