***Not Home Enough** will be a big Nelson chance this weekend. He won this nicely then ran second on Monday on the same track. Should get the maiden win at Nelson. **Westburn Creed** meets him in the same race on Friday and will take a lot of beating. He tracked the winner up and just missed. **The Firing Dash** fought on well enough to get a cheque at Nelson.

FRIDAY HARNESS

Nelson HRC @ Richmond Park

SELECTIONS

Race One

Maia

Donaldson

Tehoro Bliss

Maia is a very talented young trotter, back from a good spell. She performed very well at the recent trials and looks all over the winner if she can be mistake-free on the day. Donaldson ran on well over final stages when fourth at Ashburton on Monday. Kept busy as a 2yo, but he's handling it quite well. Pammys Boy shows ability at trials and is worth a look for stable that goes well here. Gold Invasion and Tehoro Bliss are definite includes. Local mare Ruby N Diamonds is well overdue a maiden win.

Race Two

Motu Cup Day Cullen

Better Odds

Running Under Fire

Motu Cup Day Cullen has shown good ability at workouts, his last couple of runs have been really good and on his Rangiora workout win last Friday he'll take all sorts of beating here. Still quite green, but has the gas to tidy these up. Better Odds had no luck in the straight when unlucky last time. A handy maiden who should pay for expenses on the trip. Running Under Fire went a cheeky race for Peter Jones last time and should figure in this field. Gunman an obvious include, as are 7 & 8.

Race Three

Avicmaro

Esprit Jaccka

New Year Bopper

Avicmaro has gone two very nice races so far, those after showing nice form at the trials. Drawn to get plenty of this. Esprit Jaccka was woeful as favourite last week, there had to be an excuse. Her previous two runs were excellent. Give another chance. New Year Bopper did some work mid-race and fought gamely at Ashburton, Monday. Ready to strike winning form. Silky Cullen is racing strongly and should be prominent. Dream On Sally and Song For The Asking are capable of testing.

Race Four

Westburn Creed

Bruno

Not Home Enough

A tidy maiden field. Westburn Creed looked the goods at trials before racing and he's gone a couple of good races without placing to date. Should get a win on either day at this meeting. His trial last week was pretty good. Bruno trialed very smartly in tidy sectionals at the Rangiora workouts last Friday. He beat some handy horses and looked very ready for this. Not Home Enough ran up to win, then shaded at Ashburton. A good trial win there a few days earlier. Big chance. Add 2 & 8.

Race Five

Sunnivue Ted

Another Player

Guerrero

Jewels runner Sunnivue Ted heads here on his way home from Cambridge and he should get the expenses along the way. The 40m is a little tricky, but he's fit and probably going better than most of these. Another Player's maiden win was far from a fluke on debut. Got it wrong second up. The 2400m suits her more than second day 3000m as a 3yo filly. Guerrero is a bit hard to follow but talented when caught in the mood. A real threat over this trip. Zealous Lady and Change Of Mind are definite threats.

Race Six

Rojam Cullen

Boogiestom

Union Buster

An even bunch. Rojam Cullen is a talented maiden who should have quite the grade by now. A bit of a trials specialist, but he should grab a win this weekend. Boogiestom is also overdue the maiden victory. Not a great draw, though following the markers can be a good run on this track. Union Buster is enigmatic, talented but can perform like a fool. He will need to improve on workout effort last week but he was stirred up prior to the jump. No doubt he has the ability. Add 1,6,7,9,14.

Race Seven

All Mighty

Scot's Courage

Another Homer

All Mighty has been flying of late with three second-placings to his name in last four starts. Possesses a huge finish if allowed last crack at them. Bright chance. Another Homer looks thrown in off the front. He went a lot better at Ashburton and might be nearing top form again. Scot's Courage looked slick at the workouts, a brilliant winner. Probably the best horse in the race – will he need one run? Holme Grown is a winner waiting to happen, and About Ambition and Lord Mamaduke are smart horses with big chances despite their handicaps over shorter journey.

Race Eight

Touch Of Rose

Ell Raisor

Life And Soul

Touch Of Rose is going well. She wasn't disgraced in the NZ Oaks and Nevele R Final and deserves her turn in lesser grade. It should come this time, at worst on Sunday. Ell Raisor looked bright at the workouts on Friday, running on well. Look for a nice run from him fresh up. Life And Soul is in shocking form for one of his talent. Gets fewer better chances to return to his best. Consider 1,3,6,7,8 in multiples.

Continued P11....

Race Nine**Fly The Flag****Fortunately****Motu Pocket O'Jewels**

Fly The Flag came up a run short last week. She's a lovely filly, destined for a good three-year-old season. Stand start manners good, she should jump out and give a great sight again. Fortunately beat some good fillies at Marlborough in January but hasn't hit the high note since. A return to form looks likely on the circuit. Motu Pocket O'Jewels should run well in this company. Jackaroozy, who may come up one short after the bad weather, Helicon, and I Courage are all a chance. Fittler suits this type of race and is a good one to add to place at odds.

Race Ten**Black Mambo****Lord Diego****Strawbs Fire Chip**

A good battle ahead here. Black Mambo is drawn to lead and set things up for himself. He should be able to lead or trail. Running out of chances, but we're sticking with him off this draw. Lord Diego looked bright at the workouts last Friday. He's a nice type who should win here or on Sunday. Strawbs Fire Chip is the best horse trained at the top of the south. He has the measure of most here, depending on his fitness, though he did trial on the weekend. Consider 7 & 9.

FRIDAY NIGHT HARNESS

Auckland T.C. @ Alexandra Park

SELECTIONS

Race One

Franco Tijuana

Harrison Maguire

Fulla Luck

A nice field to start the night. Franco Tijuana impressed when resuming with a bold third here last week off a bad draw. Undoubtedly talented, he looks the one to beat if there is an inch of improvement in him. Harrison Maguire stepped up a level when brave behind a nice one last start. Should run well again. Fulla Luck is due a win and gets another chance off a nice draw. Saucy Vision continues to go very handy races and will have support. Add 5,6,8,12.

Race Two

Three Wishes

Heza Holmes

Danica Patrick

Not a field of stars. Three Wishes is a handy mare going honestly. Should appreciate the company she meets and will get few better chances. Heza Holmes is in the same boat. He has had his chances of late but usually gives a good account. Southlander Danica Patrick is going okay at present and should measure up. Naughty Dancer isn't short of ability. Consider 4,5,10,15.

Race Three

Nextdoor To Alice

Greg Brydon

Lord Patrol

Nextdoor To Alice tackled stronger company last time so reverting to claimers he should be in clover again. Looks the one. Greg Brydon is evergreen, a great old horse. He will give his usual honest account. A must in multiples. Lord Patrol is also a handy claimer with a realistic win chance. Consider 2,5,7.

Race Four

Talaspring

Suidelike Meisie

Flying Pocketlands

Jewels fillies Suidelike Meisie and Talaspring look well placed to regain some top form. Both should appreciate the notable drop in quality, while Flying Pocketlands has been hinting at a win and came close to achieving it last week. Unleash The Fury is also well placed and racing very honestly, while 1,4,11 can figure.

Race Five

Carabella

Malak Uswaard

Mr Hasani

Carabella could be a little bit special and should get the job done, though her first look at the track will be interesting. Malak Uswaard made his debut a winning one when getting the job done narrowly but well here a couple of weeks ago. He should benefit from that experience. Mr Hasani shows nice ability for Gareth Dixon and is not one to treat lightly. Consider 1,5,7 in multiples.

Race Six

Runninoutadreams

Adios Seelster

Christian Romance

Runninoutadreams has been scratched a couple of times lately, possibly because of barrier draws. He's big on ability and should be a winner. Adios Seelster trialed well before a bold debut placing. No reason why he won't measure up in first look at the track. Christian Romance can be a little wayward but does have ability. Add 6,10,12,15.

Race Seven

Going Commando

Illuminati

Springfield Hero

Those up front could make the handicappers work hard here. Going Commando is one that could jump and get handy and utilise the headstart to advantage. Not quite so good last time but stick with him. Illuminati wasn't disgraced last time and on previous wins is a real threat once again. Springfield Hero caught the eye last week. He needs to go away, can win if he does. Don Giovanni is in a similar boat. Fayanni went great last week but 40m is prohibitive. Consider 4,7,8,15.

Race Eight

Dead Calm

He's My Hero

Swift Therapy

Dead Calm was hitting the line hard once he gained clear room last week, a little unlucky not to finish closer than fourth. Stand start shouldn't trip him up. He looks a great chance. He's My Hero hinted at worthwhile form when a much stronger fourth last week in a better field. Quick start and he can overcome the 30m. Swift Therapy is racing better again and should go well with safe start. Stablemates Late Flyin and Arts Bo are suited to this. Kissimnee the bolter.

Race Nine

Tiger Tina

Hanovers Patch

Precious Mach

Tiger Tina looked above average when she won a Pukekohe trial rather impressively in mid-May. Stable has them ready and she looks hard to beat. Hanovers Patch came from near the rear to run on nicely into third last week. Any improvement and she's in business. Precious Mach trialed really well before encouraging debut at Cambridge. Draw no help but she has the talent. Consider 2,6,11,12.

Race Ten

Motu Young Jacob

Earls Illusion

Diedre's Flash

Motu Young Jacob drops back from the Jewels to this so he should notice a clear difference in opposition. A handy horse, he looks tough to beat if he handles the track. Earls Illusion is pretty safe so you should get a good sight with him. Undoubtedly a top chance. Diedre's Flash is still learning but he got a pass mark last week when running on well. A must have. Canyouwatchoverme and Toggle are worth a ticket.
