# FRIDAY NIGHT HARNESS

## Auckland T.C. @ Alexandra Park

### SELECTIONS

#### Race One

#### Franco Hendrix

#### Harrison Maguire

#### Toledo

Franco Hendrix went a better race last time and is drawn to get a sweet trip. Stable is going well. Harrison Maguire came up just short last week, a tough run. Wide draw again, so he's getting no favours in that regard. Stablemates Gangala and Toledo draw terribly but are racing well. Toledo may be the pick of them at this stage with experience on his side. Consider 1,4,7,9,11 in multiples- all going handy races.

#### Race Two

#### Lord Patrol

#### Nextdoor To Alice

#### Wee Willam

Lord Patrol got an easy time in front and got the job done last week. The form generally holds up in these races and he should go close once again. Placed last week, Wee Willam, Greg Brydon, and Nextdoor To Alice all look the main threats, though recent arrival Cambo should debut well on the track, though he's had a busy week going from Forbury to Auckland.

#### Race Three

#### El De Rosa

#### Manhattan Cruzer

#### Perfect Pride

El De Rosa trialed well when second to Bettor Cover Lover before a sound return when sixth in a good field. This isn't overly strong, and she should run well. Manhattan Cruzer is quite talented, rarely shows it. Drawn to get a fair slice of this - watch tote. Perfect Pride has gone two big races for Fergie. Add 2,4,14.

#### Race Four

#### Talaspriing

#### River Belle

#### Pocket Mach

Talaspriing dashed late, just missed last week when gallant again. None will try as hard as her and off gate one she looks a top eachway chance. Smart types River Belle and Pocket Mach are drawn to jump and run so seriously consider them, along with Kotare Ash who has good gatespeed. McAmber steps well up in grade after easy debut win but don't discount, she was impressive. Add 8 & 9.

#### Race Five

#### Carabella

#### Malak Uswaard

#### Nicky's Passion

Carabella showed her class when never looking that happy on the bends last week, but still too smart for them in the straight. Any improvement and she'll be too good again. Malak Uswaard was a touch disappointing after getting an easy lead last week. He'll need to sharpen up, but that is possible. Nicky's Passion trailed and fought well last week, he's a win chance on that. Of the rest Mr Hasani and Mach Alert could place.

#### Race Six

#### Meander With Earl

#### Sno's Big Boy

#### Springfield Hero

Best race of the night. Meander With Earl should give these plenty to chase if past performance is anything to go by. She loves rolling front and was impressive when winning Pukekohe workout last week. Sno's Big Boy is always a threat in this type of race, and given the handicaps, he can get that cart up he needs. Springfield Hero is a real danger of he trots like he did last week. Much improved of late. Ima Gold Digger and Fayanni are quality trotters with a chance.

#### Race Seven

#### Devil Dodger

#### Courage To Rule

#### Gomeo Romeo

Devil Dodger was a hop or two away from possibly winning the Jewels, a top effort. He has that little bit of an edge over Courage To Rule in the brilliance stakes, maybe not as stayer just yet. It should be a good battle between these top 3yo's, with Courage To Rule to suit a fast-paced premier night race. Gomeo Romeo did too much in the Jewels, this is more his race. Consider 2,3,11,12 in all bets.

#### Race Eight

#### Imagine Me

#### Perfect Cullen

#### Percy The Punter

Imagine Me was very game in the Jewels coming off outside the back row for a gallant third to Beaudiene Bad Babe. Stand-starts seem to suit her, and on form she's the one to beat. Perfect Cullen wasn't as good last time, but go on previous two wins when explosive. Dead Calm just missed last week in easier race but don't drop him. Percy The Punter is a must in a race such as this. Add in All Tiger.

#### Race Nine

#### Adios Seelster

#### Bruno

#### Takeover Brown

Adios Seelster can be forgiven last week's failure, still not a bad effort. Better draw this time and he has shown gatespeed at the trials. Bruno went huge at Nelson on Sunday and arrives to team up with Jay Abernethy who has a good strike-rate with Wayne Higgs' horses. Takeover Brown needs a scratching to get in but is a real chance of he gets in. Disappointing last week, give Hanovers Patch another chance. Consider 5,8,13.

#### Race Ten

#### K D Commando

#### Brite Autumn

#### Doctor Kovac

Look for improvement from KD Commando (1) and Brite Autumn (2) off great draws over the mobile 2200m. Both are talented and taking away that risk of a slow start they seem logical fancies. Doctor Kovac is a smart type on his way through the grades and should be seriously considered, while 3,5,8,11,12,13,14 are all unfortunately needed if you need a spread in Quaddie and Pick6. Go the good draws if you need to cut things back.

# FRIDAY HARNESS

## Marlborough HRC @ Waterlea Raceway

### SELECTIONS

#### Race One

##### Seeker Dhu

##### Ruby N Diamonds

##### Speed N Success

Seeker Dhu is talented and it comes as a bit of surprise that she hasn't won yet. A lovely workout win on Saturday, and she looks hard to beat if the manners are on song. Ruby N Diamonds went two good races at Nelson and should grab the maiden win this weekend, either here, or on Sunday. Speed N Success trotted well in a recent workout and can be given a chance. Consider 3,5,7.

#### Race Two

##### Johnny Be

##### Henry Ducket

##### Interceptor

Johnny Be took off before nominations at Ashburton, a poor drive on a two-year-old and he should have won it easily. Not likely to be need any more than a second chance. Henry Ducket joins the Gameson stable after some handy runs in the deep south without placing. Good solid workout run on Saturday should have him ready. Interceptor trialed well on Saturday and that after showing better race form. Consider 6 & 12.

#### Race Three

##### Wotavugot

##### Pegleg Webb

##### Itz New Yorks Finest

A good little battle here. Wotavugot didn't seem to appreciate the rain-affected Ashburton track when he debuted, battling in the slush when disappointing. A slick trial win before that. Gets chance to redeem himself. Pegleg Webb has shown good ability at trials and was home in sub-28 around Chertsey on the weekend. Will be very prominent on debut. Itz New Yorks Finest trialed well at Ashburton, working a bit mid-stages and fighting hard. Always respect the stable. Consider 1,3,7.

#### Race Four

##### Let's Go Cullen

##### Hour Of Power

##### The Slipper

Let's Go Cullen is racing well, possibly driven upside-down once or twice of late and that's no help. She is best with the last go at them. May get that opportunity here. Hour Of Power is an overstayer in the grade. He has promised to quit maidens sooner. Should get it this weekend. The Slipper raced well before an over-the-odds second last time. Stick with her. Eye Bolt failed to impress on Saturday but respect stable. Add 5 & 12.

#### Race Five

##### Dixie Commando

##### Gimli

##### Goldstar Invasion

Dixie Commando is a fair way better than average. Handy since jumping in grade. Now ready to bag win number two. Gimli won like Phar Lap last time, cruising in after being a long way off them early, then working hard wide. A repeat and he'd win by 10 lengths. Native's Brite Spark handled the rise in grade well last time and it won't be long before she wins another. Goldstar Invasion trotted smartly to win at the workouts on Saturday and can surprise. Consider 2,4,12.

#### Race Six

##### Juryman

##### Lord

##### Allfedup

Juryman was impressive when he grabbed the maiden win. He has trialed well recently, running on strongly. Looks a bright chance despite the second line draw. Lord had a good blowout when an easy winner at the Motukarara workouts on Monday. Handy sort likely to go well fresh. Allfedup paid big money when winning last start but it was no fluke. This horse has some ability. Consider 2,3,6,10 in the mix.

#### Race Seven

##### McKay

##### Katchafillie

##### San Fran Lady

McKay hasn't raced for a couple of months and now joins the Robert Dunn stable. The same combination had success last weekend with Black Mambo. Likely to continue the roll. Losta Armbrø ran a bit keenly early last time. A chance if he settles better. San Fran Lady is racing well and might get the last shot at these. Katchafillie looks well-placed to find some form this weekend. Consider 9.

#### Race Eight

##### About Ambition

##### Tatoo

##### Badlands Jewel

About Ambition was a good winner at Ashburton when fresh and he will again run well, especially now his favoured stablemate Band On The Run has been withdrawn. Look for a top effort again. Tatoo is so honest, he will give usual good account, no doubt. Good mares Kate Knows Best and Badlands Jewels should show something, while Lord Mamaduke could improve his Nelson form, and Lionels Meddle can't be left out.

#### Race Nine

##### Wilusi Blues

##### Westburn Creed

##### Tor Riley

Smart type Wilusi Blues finally broke through for the maiden win last time, well overdue. Meets an adequate CI field and he should handle the rise with ease. Westburn Creed won well on day one at Nelson then missed away on day two. Reverts to mobile start and he should go close off the draw. Tor Riley ran up the straight nicely when winning at the workouts. Can figure. Tuscany Gold is in and out but handy when in the mood. Consider 1 & 6.

#### Race Ten

##### Arnoux

##### Joshua Mac

##### Lilac Splash

Arnoux was beaten fair and square last time though he tried hard in the slush. An easy workout win before that. Drawn to jump and run, hard to catch around this track. Joshua Mac is the logical threat. In good form off the stand starts, he reverts back to a mobile here. Big hope. Lilac Splash is racing well again and is an upset chance, while To Ri Dette could threaten.
