FRIDAY NIGHT HARNESS

Ashburton T.C @ Addington Raceway

SELECTIONS

Race One

Classic Armbro

Dark Moment

Capitol Drive

Stablemates Classic Armbro and Dark Moment are talented maiden trotters on debut. The former has shown that hint of class and well worth a look here, while Dark Moment is talented but a little more erratic at this early stage. Capitol Drive won a trial here very easily last week. Seppl has the two runs under the belt and should be improving each time. Donaldson has been racing very well for just a 2yo and deserves his reward. Consider 1,4,5,6,8,15 in a very open maiden trot.

Race Two

Reggie Royale

Datmymulligan

Chaff Muncha

Reggie Royale was very unlucky on debut, running home nice and strong after being held up. He'd trialed like a smart maiden before that. Nice chance. Datmymulligan has impressed each time she has been to the trials and workouts. Ready to go a huge race on debut. Chaff Muncha is a maiden above average and a real threat if in off the ballot. Caleb El, Oscar Royce, Dance Band, and Amelie are all some chance.

Race Three

Glenalvon

Oursjean

Fernleigh Renegade

Glenalvon should have won last time, surrendering up the softest lead to his major threat in Hudson Hawk and that proved the losing of it, no surprise. Driven to win, he just might. Oursjean is talented and may go boldly fresh up after a lovely trial here last week. Meads Quaff keeps going great races though the draw won't help this time. Consistency has him in. Fernleigh Renegade is much better than form reads so stick with him.

Race Four

Liberlilus

PeglegWebb

Lavros Invader

Liberlilus is a talented maiden. He failed on debut after making mistakes. Drawn to get nice and handy, even lead, and if he does the remainder could be in trouble. Pegleg Webb had it won 50m out then peaked late at Marlborough, day two. A nice young horse with a genuine chance. Lavros Invader trialed super well last week. Nikita Bromac continues to trial well and can show up on debut off a lovely alley. Add 12,16,17.

Race Five

Dixie Commando

Westwood Sioux

In Like Magic

Dixie Commando raced well at Marlborough, her second-day placing behind The Tin Man very sound. A lovely filly destined for a big 4yo season. She should go close. Westwood Sioux led and bolte din at Forbury last time. Undoubtedly good enough to give these a similar lesson, though it is a tougher field. In Like Magic should be improved off recent runs and is a real threat on her best night. Endeavour Sunset took a Breeders Crown heat win but is no forlorn chance here. Add 9,13,14.

Race Six

Alchemy

Atom Of Courage

Valhalla

Alchemy chased Hudson Hornet and Glenalvon last time, a game run after having to do a lot more work than either of that pair. A classy type this, and this field looks well within his range. Atom Of Courage comes in fresh after a slick first-half of the season. Likely to go a good one first up, too. If able to hold an early spot, Valhalla should be somewhere in the finish. Consider 3,5,8,10.

Race Seven

Band On The Run

Rangataua Ray

Pretty Dollybird

Band On The Run looked pretty ready when winning at the workouts a fortnight ago, missed the Marlborough trip, but sure to be on his game for this. A real smart horse when he's right. Fitness will play in the favour of others, and Rangataua Ray is one of those. He was comprehensive winning last time and can repeat the dose. Consider Pretty Dollybird, Badlands Jewel, and Les Lisle.

Race Eight

Sunglasses N Cigars

Amadeus

Chrissy Styx

Sunglasses N Cigars was a very impressive maiden winner but he's made a meal of the next two attempts. A safe start and he's right in business. Will win more races. Amadeus raced well at the top of the south and is a fit horse. He looks well-placed. Chrissy Styx wasn't pushed at trials, running on well. Motu Pocket O' Jewels is consistent and worth a second look while Belle Vista and Arjuna are upset chances.

Race Nine

The Tin Man

Domination

Holiday Lover

It was well overdue, but The Tin Man finally regained the winning touch when successful at Marlborough. Now in that form he can make it two on end here. Domination looks well placed under mobile conditions and is racing well at present. Should be prominent. Goldstar Invasion is suited to mobile and if able to lead very tough to peg back. Holiday Lover trialed well Saturday and should give a good sight. Consider 2,5,8,10.

Race Ten

Scot's Courage

Black Mambo

Chocolatto

Scot's Courage probably didn't back up for the Nelson Cup that great after a run two days earlier, though he was still gallant. Should be a sharper horse and is just too good for these on his best night. Black Mambo has found top form since joining Robert Dunn, a good double at Nelson. Should be in the top three again. Chocolatto has been freshened but is very consistent and will be in it for a long way. Consider 1,3,6.

FRIDAY NIGHT HARNESS

Auckland T.C. @ Alexandra Park

SELECTIONS

Race One

Harrison Maguire

Night Of The Stars

Toledo

Harrison Maguire did plenty early but was very game to the finish when defeated by Franco Hendrix last week off a worse draw. Gets best draw in a while, should take advantage. Night Of The Stars is a very classy 2yo who was huge when third in the Jewels. Since an impressive workout winner. Look for a big run. Toledo was luckless last week, keep onside. Ohoka Courage, Saucy Vision always trifecta chances. Add 1 multiples.

Race Two

Boogiestom

Underwood Road

Meetthenewboss

Wayne Higgs sent Bruno up last week and he got the job done, so why not Boogiestom this week? His form has pretty handy without winning, very similar to his stablemate. Look for bold showing. Underwood Road ran it out well in a handy maiden field last week. Deserves reward. Meetthenewboss qualified well prior to Xmas and has been to the fore at the workouts. Have him in. Courageous Falcon was hotly-supported on debut though failed, Stick with. Add 4,7,12.

Race Three

Going Commando

Doctor Kovac

Earl's Illusion

Some horses in handy but not winning form here. Going Commando won five back and has been pretty good since, in stronger company of late. Good driver up and he will give a nice sight. Doctor Kovac is also racing well and due a second victory. He is shaping up as a nice mid-grade trotter next term. Earl's Illusion may improve on a weak effort last week. Better than that. Motu Young Jacob and Illuminati obvious threats.

Race Four

Talaspriing

Seshny Bromac

River Belle

Talaspriing had little luck last week from gate one in a very nice field. She is racing superbly and though needing an ounce of luck again, she deserves favouritism. Seshny Bromac had no chance form outside of the arm last week, so go here off the ace, a big help to her. Must go close. Stablemates Elysium and River Belle are both very capable and can win this despite wide draws. Consider 2 & 14.

Race Five

Nextdoor To Alice

The Go Forward

Wee Willam

Nextdoor To Alice did the job very nicely last week and looks the clear one to beat again on his current form. Handy Tuesday run. Has proven himself better than these a few times, though his stablemate The Go Forward hinted at better when rushing home last week, and will undoubtedly have support as a result. Wee Willam must be tough, very game last week, and Lord Patrol and Greg Brydon are must-haves as always.

Race Six

Dead Calm

Fulla Luck

Onedin Crusader

Last week's racing should point us in the right direction, with Dead Calm, fifth in stronger company off the stand-start, a huge chance back in grade and back in a mobile. Should be winning, though Fulla Luck, who was big fourth off the back row last week, and Onedin Crusader, who was an encouraging sixth first up on the track, are big threats. A powerful trio, not even mentioning Hughview Chartom, Protocol, and Swift Therapy who all have strong cases to answer. Good race.

Race Seven

Springfield Hero

I Can Doosit

Sno's Big Boy

A terrific field for this time of the year. Springfield Hero has to get top vote as he's simply flying and there were no excuses behind him last week. Trots all the way and he wins again. Jewels winner I Can Doosit has had a strong hitout at the workouts and will be ready – he is so classy and a huge chance as always. Meander With Earl failed to step last week, stick with. Ima Gold Digger and Sno's Big Boy far too good to discount.

Race Eight

Flem N Em

Strike Up The Band

Chesterton

Flem N Em is flying again, two wins back-to-back have been very smart. Small fields suits and he can out-sprint them and win again. His stablemate Strike Up The Band could be very dangerous if he finds the lead, he's tough to peg back with own rules. Thomas Maguire should notice the drop in class and can regain form. Chesterton's last couple have been good and this looks well within range.

Race Nine

Exceptional Cullen

Attention Seeker

Unleash The Fury

Exceptional Cullen can win this. Met a strong field last week but this easier. Looks better here. Attention Seeker performs well each start and looks likely to give this a big shake with any luck off the back row. He is a premier night pacer. Unleash The Fury falls into a better race for her, too. Keep onside despite form tapering off. Powertofly is likely to have support off gate one. Add 5,6,12.

Race Ten

Goodlookinggirl

Tiger Tina

Victoria Chapel

Goodlookinggirl showed good ability when she last raced way back in November. Will be ready out of the top stable and she looks the one. Tiger Tina will provide very stern opposition. Her debut performance was excellent and any improvement out of that will take her close. A powerful top two to end the night with Victoria Chapel and Carizre likely trifecta chances, the latter trialing well at Pukekohe.
