THURSDAY HARNESS

SELECTIONS

- Race One** **Ultimate Player** **Aziza** **Franco Quarry**
 An outstanding mid-winter field. Ultimate Player is a real talent. Unsighted since May 7 when narrowly beaten at Auckland. Just the type to go a big one on the fresh side. Aziza is a quality filly, and she did win at the Rangiora trials last week, beating subsequent race winner, Jupiter Grove. Nice chance off this alley. Her stablemate Franco Quarry was very impressive at Forbury though in weak company. He'll handle the rise in class. Consider 2,13,14,15.
- Race Two** **Sticky Fingers** **Interceptor** **Amelie**
 A tough one. Sticky Fingers continues to go big races in good maiden fields so this shouldn't be beyond him despite the second line draw. A good chance. Interceptor is a bit hard to follow but capable, and the Rangiora effort was quite handy. Amelie is a nice mare who will quit maidens soon and this is a good chance to do so. Hour Of Power needs an ounce of luck off the draw but is capable of winning. Consider 9,13,15.
- Race Three** **In Like Magic** **Maysoon** **Pammys Boy**
 In Like Magic is a talented mare racing well. Due her turn and given she's race for now a win must come at short notice. Maysoon won a trial nicely last week and well worth a ticket fresh up for new stable. She has ability. Stablemates Seppl and Pammys Boy are nice types but both quickly out of maiden grade and the C1 class is tougher. Notwithstanding, they will both be winning again soon. In multiples you must have 2,3,8,15.
- Race Four** **Katchafillie** **Minty Mellow** **Will Play**
 An even bunch. Katchafillie went another good one at Rangiora on Sunday. Due her turn and a safe start off barrier one will take her a fair way. Minty Mellow had no luck in Tuesday company last time. Well-placed this grade and she looks a bright chance. Old Will Play is also well-graded and a chance even though his wins are years apart as a rule. Splendifferous must be a threat again on good Rangiora victory. Add 3,9,11,15,16.
- Race Five** **Lets Talk Art** **Juryman** **Galleons Prospect**
 Lets Talk Art burned a very hard opening 600m when last produced and she was extremely gritty to the finish when second. Able to cross and lead, she could beat this field. Juryman may have had his chance last time but is too good to leave out, a few more wins in store for him. Galleons Prospect is an eachway chance with the run to suit. He had no chance after being out the back at Rangiora on a front-runners bias. Franco Tijuana is much better than last-start failure so don't drop him. Consider 5,10,12.
- Race Six** **Nikita Bromac** **Linel** **Alta Da Louce**
 Nikita Bromac is a standout on form, another top effort when circling the field to sit parked outside Franco Lordship in sub two-minute clip on Sunday. Should be a winner. Linel got it wrong on debut early but ran on well later. Had trialed smartly. One for good value here. Alta La Douce placed in a non-tote but did trial well at Rangiora. Stick with off nice draw. Consider 4,6,12,14,16.
- Race Seven** **Franco Jamar** **Band On The Run** **Rangataua Ray**
 A good tussle with three very smart pacers to go to war. Franco Jamar ran very fast sectionals to win at Motukarara last Saturday, times they rarely run on that track. He's a very smart horse unlucky last time in the Jewels. Should win. Band On The Run and Rangataua Ray will have something say about that, though. Both won last time, the latter impressive in beating Winter Cup field at Rangiora. A strong trio with the others maybe struggling to beat them.
- Race Eight** **Losta Armbro** **Sary Hanover** **Rural Jack**
 Losta Armbro has 'lost' his chances once or twice lately after making mistakes. No doubt his talent and this looks the right race for him. Give another chance. Sary Hanover keeps going good races and she should be prominent at the finish. Our Mr Darcy and Rural Jack are well worth a look off the back row at better odds. Tony Dreaver is in good form but has had a few favours.
- Race Nine** **Roseiraire** **I'm A Dazzler** **Partyboysimon**
 Roseiraire has no form but she's likely to improve the score here. A handy mare when right, she should appreciate the claiming company and is a bet at eachway odds. Veteran I'm A Dazzler and handy claimer Partyboysimon look the main chances as they're race-hardened and going good races, too. Others hard to follow.
- Race Ten** **Avicmaro** **Illumaway** **Gretna's Best**
 Avicmaro got trapped three-deep for the opening 800m on Sunday and that took the edge off her finish, game to the line nonetheless. A more economical early passage and she's a big chance. Illumaway fought gamely after making yet another mid-race move last week. Driven patiently for once he can run them down. Gretna's Best trialed well last week and can win with a quick start. Obvious additions are 3,5,6,12.

FRIDAY NIGHT HARNESS

Franklin T.C. @ Alexandra Park

SELECTIONS

Race One

Elysium

Maheer Magic

Shannara

Elysium chased Talaspring home in a better race last time. Outside the back row should not be enough to stop her winning this. Maheer Magic isn't the worst chance off gate one. She has shown in the past her capabilities off handy barriers. Shannara was handy in a better field last week and an upset hope here, while Cherokee Franco and Peruvian Lass are other chances.

Race Two

CC Star

Courageous Falcon

Lightning Magic

CC Star was well supported and he matched the confidence when a bold second to Royal Tiger at Cambridge, nailed late. Handy horse with a real chance in this field. Courageous Falcon was backed off the board when quitting maidens at Cambridge. Not a quality C1 race so he should go close again. Lightning Magic is a wee sneaky off gate one. He looks the leader and may be a chance with own rules. Add 2,3,6,9.

Race Three

Awohali

Toledo

Seshny Bromac

Awohali pushed them over the line this track last week when resuming. Big chance to gain a penalty-free win. Toledo is racing honestly and sometimes without luck at all. A good draw and a good chance in this. Seshny Bromac worked hard but fought well last time. Definite threat. Tiz A Falcon is some chance to upset at odds, his recent form better than it reads. Consider 10,11,13.

Race Four

Canyouwatchoverme

Eileen

Millwood Munchkin

Canyouwatchoverme has really impressed in a short career to date. Flew to get up and win last time and in this field he looks well-capable of overcoming 30m handicap. Eileen is far from the worst in easing back to handicap for a weaker field. She should take advantage. Kingdom Of Heaven ran up the straight very nicely at Cambridge. Wins in store for him. Millwood Munchkin an obvious chance. Add 5 & 12.

Race Five

Tiger Tina

I Cee U

Caballe

Tiger Tina went a handy race on debut after showing promise at the trials. Tricky draw but not a flash field to overcome. I Cee U debuts from Reid's Pukekohe barn. Looked okay at trials and since a workout winner, is worth a look in a weak race. Caballe got herself wound up last week and she never performed. Stick with 3,6,10,11 may be needed.

Race Six

Don Giovanni

Alien Waits

Motu Young Jacob

Cambridge visitors Don Giovanni and Alien Waits both had gallops at the wrong time on their home track last week. The former looked to be all over the winner when he broke 600m from home. A big chance no doubt. Alien Waits didn't trot as well as he did at the workouts. Too good to drop. Front-markers Motu Young Jacob and Diedre's Flash look real threats with quick beginnings. Consider 3,9,11.

Race Seven

Honey Rose Falcon

Caroline's Cullen

Arden's Darlin

Standing start the key to this. Most have few cracks at the stand and a slow start will prove curtains. Best of these are Honey Rose Falcon and Caroline's Cullen. Nice runs from both horses last time out and they'll strip fit for this. They're the big two with Arden's Darlin and Kissimnee next best.

Race Eight

Highview Chartom

Protocol

Attention Seeker

On her last two runs Highview Chartom looks the winner here. Big effort last time. Drawn to go forward and be in the hunt from the word go. Protocol can improve form of past couple of starts. He likes to lead and he just may do that from gate two. Keep him onside. Attention Seeker is a nice type also drawn well and the 2700m will suit. Braemoor is Jekyll and Hyde but good enough on his best night. David Fagan ran on well last week, a bit unlucky. Consider 1,10,13,15.

Race Nine

Devil Dodger

Jonny English

Exceptional Cullen

Top three-year-old Devil Dodger has his first stand-start and if there is a query it will be just that as he is a bit nervy and likes to get on with it. A safe start and he's a winner. Jonny English goes well fresh and is adept of the stand. He's one for odds. Exceptional Cullen got the perfect trip last time and won well. An obvious chance here. Cullens Crown and Hastilea are others to consider.

Race Ten

Sly Cullen

Hannah's Last

Caesar Court

Sly Cullen bolted in when qualifying last week, an impressive performance. Maiden grade won't hold him for long. Barrier draw only issue here. Hannah's Last went a good race when he had tole support last week. Follow the smoke. Caesar's Cort went a nice behind a smart horse when he debuted last week. A must on that. Many chances to figure so consider 1,2,4,5,7,8,10.
